Act: act3 | Timing: 307.896–311.056s (3.160s)

Narration: A third said he vomited before work every morning

Visual intent: The morning ritual of dread.

Visual description: Anonymous person at a bathroom sink with a completely blank, unmarked lanyard card.

Method/class: CONTROLLED_STILL / RECONSTRUCTION

Proposed prompt

Illustrative reconstruction: an anonymous person seen from behind, leaning over a plain bathroom sink in dim early-morning light. Both hands grip the basin, shoulders tense, head bowed and face completely hidden. A blank, unmarked lanyard card rests on the counter with no logo, name, text or identifying details. Restrained, non-graphic composition.

Negative prompt

Wells Fargo badge, logo, readable name, identifiable face, real employee ID, documentary footage, graphic illness

Output: REF_ACT3_B027; dedicated_reference_still; reference-stills/REF_ACT3_B027; 16:9 (proposed target carried from v2); dimensions/format unresolved.

ACT3B_B001

Act: act3b | Timing: 317.263–319.563s (2.300s)

Narration: The customers paid first

Visual intent: A customer opens a bank statement, face shifting from routine to confusion.

Visual description: Close on hands opening an envelope, unfolding a statement—a slight hesitation as eyes scan.

Method/class: CONTROLLED_STILL / RECONSTRUCTION

Proposed prompt

Close-up of anonymous hands opening a white business envelope at a kitchen table, fingers unfolding a bank statement document, shallow depth of field, soft natural window light from the side, muted earth tones, the paper slightly creased from the envelope, a coffee mug blurred in the background, photorealistic documentary style, 35mm film grain

Negative prompt

identifiable face, recognizable person, specific bank logo, readable account numbers, legible personal information, Wells Fargo branding, bright saturated colors, stylized lighting, fantasy elements

Output: REF_ACT3B_B001; dedicated_reference_still; reference-stills/REF_ACT3B_B001; 16:9 (proposed target carried from v2); dimensions/format unresolved.

ACT3B_B014

Act: act3b | Timing: 367.063–371.083s (4.020s)

Narration: Others said they had been punished for resisting impossible quotas or reporting

Visual intent: Others punished for resistance or reporting—the system's true victims.

Visual description: Different employee steps away from desk, refusing to participate; manager approaches with performance folder.

Method/class: ESSENTIAL_ANIMATION / RECONSTRUCTION

Proposed prompt

Medium shot of anonymous bank employee stepping back from cubicle desk with hands raised in refusal gesture, manager silhouette approaching from side holding manila performance folder, fluorescent office lighting, generic corporate cubicle environment with neutral partitions, photorealistic documentary style, tension in body language

Negative prompt

identifiable faces, recognizable individuals, Wells Fargo branding, specific bank logo, readable documents, personal information visible, bright cheerful colors, fantasy elements, celebratory mood

Output: REF_ACT3B_B014; dedicated_reference_still; reference-stills/REF_ACT3B_B014; 16:9 (proposed target carried from v2); dimensions/format unresolved.

ACT3B_B018

Act: act3b | Timing: 381.683–386.251s (4.568s)

Narration: And some of the people who warned the bank said they were fired too

Visual intent: The whistleblower—silenced by the same system they tried to save.

Visual description: Single static office composition with a plain telephone and anonymous packed box, without a two-scene sequence.

Method/class: CONTROLLED_STILL / RECONSTRUCTION

Proposed prompt

Controlled still, illustrative reconstruction: one anonymous office composition places a plain telephone in the foreground and a closed, unmarked cardboard box farther back near a generic corridor. No person, face, logos, readable hotline material, elevator-door action, or scene transition.

Negative prompt

two-scene layout, identifiable face, company branding, readable number, authentic poster, specific employee, documentary footage

Output: REF_ACT3B_B018; dedicated_reference_still; reference-stills/REF_ACT3B_B018; 16:9 (proposed target carried from v2); dimensions/format unresolved.

Act: act5 | Timing: 509.136–514.556s (5.420s)

Narration: At the time no senior executive

Visual intent: The absence of criminal charges as a gap in accountability.

Visual description: Empty federal courtroom bench, no defendant present.

Method/class: GENERATED_STILL / EDITORIAL_ILLUSTRATION

Proposed prompt

Empty federal courtroom interior, dark wood judicial bench with no judge present, empty defendant's table and chairs, American flag in corner, institutional lighting casting long shadows, absence emphasized through negative space, documentary photography style, wide establishing shot

Negative prompt

people present, judges, defendants, lawyers, jury, courtroom activity, text overlays, watermarks, cartoon style, illustration style

Output: REF_ACT5_B003; dedicated_reference_still; reference-stills/REF_ACT5_B003; 16:9 (proposed target carried from v2); dimensions/format unresolved.

Act: act5 | Timing: 539.456–544.576s (5.120s)

Narration: Those consequences were real They were also late For employees who

Visual intent: Acknowledge the reality of consequences while questioning their timing.

Visual description: Calendar pages spanning years, 2013 through 2023, stacked and faded.

Method/class: GENERATED_STILL / EDITORIAL_ILLUSTRATION

Proposed prompt

Deterministic, zero-provider editorial graphic of stacked, faded calendar sheets. Show exactly these year labels in chronological order: 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022, 2023. Preserve the approved visual description: calendar pages spanning years 2013 through 2023, stacked and faded. Add no other dates or text.

Negative prompt

No year labels other than exactly 2013 through 2023; no additional dates, circled dates, handwritten notes, personal information, corporate logos, event markers, fabricated facts, or external imagery.

Output: GRAPHIC_ACT5_B009_YEAR_PAGES; deterministic_controlled_graphic; outputs/graphics/ACT5_B009-year-pages.svg; 16:9 (proposed target carried from v2); dimensions/format unresolved.

ACT5_B010

Act: act5 | Timing: 544.576–550.496s (5.920s)

Narration: reported misconduct the outcome was uneven Federal investigators found

Visual intent: The uneven outcomes for those who spoke up.

Visual description: A person sits alone in a small apartment, reviewing documents, phone beside them.

Method/class: CONTROLLED_STILL / RECONSTRUCTION

Proposed prompt

Non-identifiable person from behind sitting alone at small kitchen table in modest apartment, reviewing scattered documents and papers, smartphone placed beside them unanswered, evening light through window blinds, isolating composition, documentary cinematography style, medium wide shot

Negative prompt

identifiable face, recognizable features, specific documents readable, corporate logos, Wells Fargo branding, bright cheerful lighting, multiple people

Output: REF_ACT5_B010; dedicated_reference_still; reference-stills/REF_ACT5_B010; 16:9 (proposed target carried from v2); dimensions/format unresolved.

ACT5_B012

Act: act5 | Timing: 555.276–561.376s (6.100s)

Narration: workers clear their records and pay back wages or damages Other employees

Visual intent: The bureaucratic process of clearing records and paying damages.

Visual description: Anonymous hand beside a generic agreement-like blank sheet; terms remain completely unreadable.

Method/class: ESSENTIAL_ANIMATION / RECONSTRUCTION

Proposed prompt

Illustrative reconstruction: anonymous hand with a pen rests beside a plain, unmarked sheet on a conference table. The page contains no title, terms, signatures, names, figures, logos, or recognizable legal layout. Shallow focus and restrained neutral light.

Negative prompt

settlement terms, readable legal text, dollar amounts, names, real signatures, logos, authentic agreement, documentary footage

Output: REF_ACT5_B012; dedicated_reference_still; reference-stills/REF_ACT5_B012; 16:9 (proposed target carried from v2); dimensions/format unresolved.

ACT5_B013

Act: act5 | Timing: 561.376–566.576s (5.200s)

Narration: spent years fighting settled privately or left banking altogether

Visual intent: Others left behind by the system entirely.

Visual description: Controlled still of an anonymous departure silhouette outside an unbranded building.

Method/class: CONTROLLED_STILL / RECONSTRUCTION

Proposed prompt

Controlled still, illustrative reconstruction: a distant non-identifiable silhouette stands beyond the entrance of a generic unbranded building in afternoon backlight. Keep the figure still and the composition quiet; no specific bank architecture, signage, or identifiable person.

Negative prompt

Wells Fargo, recognizable bank, identifiable face, readable signage, specific person, documentary footage

Output: REF_ACT5_B013; dedicated_reference_still; reference-stills/REF_ACT5_B013; 16:9 (proposed target carried from v2); dimensions/format unresolved.

ACT5_B016

Act: act5 | Timing: 577.516–583.076s (5.560s)

Narration: a sales system that rewarded impossible numbers ignored warnings and treated people

Visual intent: The record contradicts the clean version.

Visual description: Same frame cracks and distorts, revealing document layers beneath.

Method/class: GENERATED_STILL / EDITORIAL_ILLUSTRATION

Proposed prompt

Use the approved ACT5_B015 clean frame only as the compositional reference for ACT5_B016's cracked-frame derivative. Preserve ACT5_B016's approved intent: a clean corporate statement surface develops hairline cracks and reveals document layers. Do not use the ACT5_B015 frame as ACT5_B016's final output and do not reuse it for other beats.

Negative prompt

real documents, readable text, corporate logos, identifiable names, cheerful imagery, complete destruction, fire or violence, cartoon style

Output: FINAL_ACT5_B016_CRACKED_FRAME; generated_image; outputs/assets/stills/ACT5_B016.png; 16:9 (proposed target carried from v2); dimensions/format unresolved.

ACT5_B017

Act: act5 | Timing: 583.076–588.416s (5.340s)

Narration: lower down as disposable when the system finally became public

Visual intent: People below absorbed as system cost when exposure arrived.

Visual description: Distinct restrained composition of an anonymous desk after belongings have been removed, without repeating a packing action.

Method/class: ESSENTIAL_ANIMATION / RECONSTRUCTION

Proposed prompt

Illustrative reconstruction: a quiet generic office desk after personal objects have been removed, with one closed plain cardboard box in the foreground and an empty chair beyond. No people, readable material, logos, or identifiable office. Use a composed aftermath image distinct from a person packing belongings.

Negative prompt

packing action, manager watching, identifiable people, readable papers, company branding, specific office, documentary footage

Output: REF_ACT5_B017; dedicated_reference_still; reference-stills/REF_ACT5_B017; 16:9 (proposed target carried from v2); dimensions/format unresolved.

Act: act5 | Timing: 601.376–604.356s (2.980s)

Narration: Some senior leaders lost money positions and the right to

Visual intent: Senior leaders faced real but limited consequences.

Visual description: Executive office nameplate removed from door, corporate portrait taken down.

Method/class: GENERATED_STILL / EDITORIAL_ILLUSTRATION

Proposed prompt

Medium shot of a generic executive-office door. An anonymous maintenance hand unscrews a blank brass nameplate with no text. On the adjacent wall, an empty rectangular shadow and exposed picture hooks show that a corporate portrait has already been removed. Institutional hallway lighting, subdued documentary composition, no people or identifying details.

Negative prompt

identifiable names on nameplate, recognizable face in portrait, specific corporate logos, Wells Fargo branding, cheerful mood, new nameplate being installed

Output: REF_ACT5_B021; dedicated_reference_still; reference-stills/REF_ACT5_B021; 16:9 (proposed target carried from v2); dimensions/format unresolved.

Package-wide carried decisions

Ten prompts remain approved without prompt changes. Five same-beat aliases remain rejected; cross-beat sharing is rejected. The 34-row controlled-image correction and 23-clip fit policy remain approved but unapplied/unexecuted. ACT3B_B010 remains retired. ACT5_B009 remains blocked pending signed and applied child amendment. ACT5_B016 is composition-only dependent on ACT5_B015; its missing path/hash blocks execution but not human review. Provider route, terms, ownership, price, codec, dimensions, container and returned duration remain unresolved pending pilot.

Status: PROPOSED__UNSIGNED__PENDING__HUMAN__REVIEW

No final execution signature. No provider authorization.
